Around the Scabbard:

Brother Knights and Sir Knights,

As the fall approaches we head into our final big fund raiser of the year. The **7th Annual Charity Golf Tournament**. This event is a big undertaking requiring lots of pre event planning, soliciting and preparation. The co-chairmen this year are Sir Knight's **Val Ticker** and **Tom Brady**. They are fortunate to have help from several key brother knights **Danny Deo Gracias** and **Sir Knight Leroy Brandow** with the meeting and greeting the businesses, getting donations. I believe that to be the hardest job of the tournament. Everyone can help make this golf tournament a success by selling raffle tickets and getting 2 or 3 friends or family members together for a foursome and come out and golf.

Welcome to our 4 newest members, **Arthur McDowell**, **Jason Olivier**, **Charles Roserally** and **Thomas Cowley**. When you see them at church and around the parish make them feel welcome.

Knights and Their Families Honored

- ◆ 4 new brother knights were in attendance.
- ◆ Dates were selected for raffle ticket sales. Volunteers needed. See David Wilson

4th Degree News:

Sir Knights, Our Faithful Navigator **Tom Brady** will be contacting us to schedule our next meeting. Please try to attend. We have had dwindling attendance at each of our last few meetings. We have an important issue to vote on and your vote is important.

Sir Knights with Regalia available to dress out has been a problem the last few times. If you have regalia, we really need you.

Fantasy Football Update.

Our 1st Annual Fantasy Football League is underway. **Danny and Linda Dunn** hosted our player selection draft. Fun, Food and Football were the focus of the evening. Some interesting facts about our draft. The league's 12 teams, drafted 15 rounds. Out of the 180 player selections made, 6% were from the **New Orleans Saints**. As expected, **Drew Brees** was the very first pick of the draft and the only Saint selected in the 1st round. **Jimmy Graham** went early in the second round. Other Saints selected were **Branden Cooks, Marques Colston, Mark Ingram, Pierre Thomas, Kenny Stills, Khiry Robinson, Shayne Graham** and the Saints defensive unit. Two ex-Saints that went in the early rounds were **Reggie Bush** and **Darren Sproles**. Also **Johnny Football** went in the middle of the 12th round. Follow our league by clicking on www.kc14614.league.fantasy.nfl.com.

September 24, 2014 - November 2, 2014

40 Days for Life (40DFL) is an international campaign and an incredible opportunity to unite members of your church or group in prayer and action. The fall 2014 campaign will be from September 24th - November 2nd, 2014. Through this effort we are called to leave our comfort zones to face the reality of abortion in our community.

The Three Pillars of 40 Days for Life:

Prayer & Fasting to End Abortion: The power of prayer cannot be overstated in this work. Encourage your group members to commit to a daily prayer and fasting during the 40 days (Ask **LeRoy Brandow** about prayer cards).

Peaceful & Compassionate Presence: Today there are over 7,536 children and women who have been spared the pain of abortion because of the prayer and presence at 40DFL campaigns around the world. However, 40DFL does cause us to leave our comfort zone. That is actually the very thing that makes this campaign so powerful. It causes us, our friends, our family, and our community to confront the reality that abortions are happening every single day in our backyard, and there is a great joy and peace in taking this leap of faith.

Outreach: We do all we can to promote awareness and education in the community. Contact **Leroy Brandow** to find out how you can help make our presence known during 40 Days for Life
